**Nomination Cost: \$149.00 (inc. GST)**

### **Nomination Criteria and Submission Requirements**

This category is a hotel whose primary business is providing accommodation. You will have a bar at your venue, but your primary purpose is providing accommodation. This category will recognise a bar within an accommodation hotel that offers a memorable visit to patrons with an emphasis on excellence in customer service. The judged area within the hotel will be specific to the bar area, however the overall customer experience will form part of the judging criteria. Start the submission with a paragraph that describes your venue including a brief history of how you came to be and points of difference/what makes your property special. This is where the judges will gain an understanding of how you fit into this category. It is important to clearly demonstrate your eligibility by aligning with the judging criteria found below. It is recommended that each judging point is addressed with a sentence or two outlining your suitability.
