

## **BEST ENTERTAINMENT VENUE**

**Nomination Cost: \$99.00 (inc GST)**

### **Nomination Criteria and Submission Requirements**

This category recognises excellence in a venue that offers patrons a mix of entertainment options. Entertainment may take the form of DJ, live band, pool tables, arcade machines, karaoke, comedy or open mic. However, please note that the majority of points in this category are awarded to live music performances. To assist with judging, venues should state on which night/s entertainment is provided, ticket/booking information and the name of the room/area to be judged. Start the submission with a paragraph that describes your venue including brief history of how you came to be and points of difference/what makes your property special. This is where the judges will gain an understanding of how you fit into this category. It is important to clearly demonstrate your eligibility by aligning with the judging criteria found below. It is recommended that each judging point is addressed with a sentence or two outlining your suitability.
