

## **BEST MEETING AND EVENTS VENUE**

**Nomination Cost: \$99.00 (inc. GST)**

### **Nomination Criteria and Submission Requirements**

Function areas are determined as specially designed areas, or 'closed' private function rooms. Partial closure/reservation of a public area does not constitute a function facility eligible for this award.

Function areas may include indoor and/or outdoor settings and features. Start the submission with a paragraph that describes your venue including brief history of how you came to be and points of difference/what makes your property special. This is where the judges will gain an understanding of how you fit into this category. It is important to clearly demonstrate your eligibility by aligning with the judging criteria found below. It is recommended that each judging point is addressed with a sentence or two outlining your suitability.

**Please note:** Shortlisted venues will be contacted by judges to attend a site visit between February – April 2024.

### **Additional documents**

1. 3 x High Resolution images of the relevant function spaces
2. Sales kit (If applicable) with contact details to book a site inspection
3. Function and event menus
