### OVERVIEW AND LIGHT LUNCH

The Hotel Market & Economic Outlook event aims to provide you with an insight into trends and market dynamics that will assist you in preparing your hotels' budgets and forecasts. You will also receive the latest market intelligence, analysis and performance outlook; discuss interest rates and the Australian Dollar forecasts, together with the broader global and domestic economies, with an emphasis on Brisbane, the Gold Coast and Queensland.

This event is specifically targeted at accommodation properties, guaranteed to provoke thoughts and ideas with the intention of improving your hotels' performance and best attended by middle and senior management of the hotel and hospitality industry.
